

SPiRiT: Attributes and Qualities

A way to study the subject on "Spirit" is to look up all the attributes and qualities that one can think of about Spirit.

Think about:

- **what Spirit is**
- **what Spirit does**
- **what Spirit frees me from**

Here is my list, but I always am working each week to add to it.

I try to affirm and acknowledge that these qualities are a part of my natural being. I reflect SPIRIT because God IS SPIRIT. The kingdom of SPIRIT is within me.
